JOINT MEETING OF U.F.A. AND U.F.W.A.

A joint meeting of the Claimstone U.F.A. and U.F.W.A. will be held at the home of Mr. and Mrs. C. H. Baker, Friday, February 15, at 8 p.m. The telephone number will be up for further discussion. Everybody welcome.

ALONG THE WAPITI

HARD HAULING THESE DAYS

ALONG THE WAPITI, Feb. 5.—The warm weather of the past week or two has made it hard on the drivers of coal teams, as considerable water has collected under the snow. There is nothing to show for a country that can change from one night below zero to 40° above in one night.

BIG CROWD AND BIG TIME AT MINERS' DANCE

The miners sure had a rabbit's foot in each pocket, as Friday night last—the night of the dance in a better and at that time very good roads. And did the people turn out? Well, say so. Eighty-two paid admission, and as ladies were free and in the majority, some 170 attended the best dance ever held in Millarston schoolhouse.

And perhaps the ladies did not bring cake. There were cakes galore, and a huge boiler full of coffee and big tea kettles of same—all gone in a flash. Also hundreds of sandwiches. It all seems to show what due notice will do for a dance in this district. It is a people, and more than that, what a first-class orchestra will do to fill a hall. Jack Penrose's orchestra, with one of his jazz nights and there was no stopping them. And can they play? Well, say so.

If Mel Radcliff can, tickle a banjo to death, I'll go. And as it weighs 30 pounds and is carried by a banjo player, the Lord help the girl he dances with.

Dick Lewis' fingers raced over the ivories of our piano (which, by the way, needs tuning badly), and Jack Penrose stamped a dance in the floor as he played the violin as only Jack can play it. But we missed "Bill" Remple with his violin. There was no room for him to go marching around with his trombone.

During the supper hour Colleen McArthur danced tap dances and the Highland fling to heavy applause. Maurice O'Reilly stepped down, by request, and we rise to remark that he does not need any more. He sure can shake his feet.

"Bill" Asselstine has an invention of a cork-legged man step dancing which brought down the house. They rattled a ton of coal at ten cents a throw. Harry Johnson, owner of a wood saw, with all kinds of wood, won the ton of coal by a tie. Around 4 a.m. "Home Sweet Home" was played and everyone swung for home.

There were sleigh loads from Prairie, Flying, and the north country.

Seen and Heard at Dance

Frank Moss said it was the happiest night of his life, and it looked that way.

C. Sutherland wearing a smile that wouldn't come off. I believe he was happy too.

Daisy sitting on Edgar's knee: also Vera. It says "Be popular."

"Bill" and "Mac" threatening to go home, and being told to run along.

Mac Macdonald dancing quite a bit and stepping on Edgar's foot in the room.

W. I. WHIST DRIVE, Feb. 9

The W. I. whist drive will be held this Saturday evening, February 9, at 8 o'clock, at the home of Mrs. Baine, to secure necessary funds for school. Ten cents admission. Everybody welcome. Let everyone attend and enjoy a pleasant game of cards and supper at Mr. and Mrs. Baine's home. Plenty of prizes for all. The roads lead to Baine's on Saturday, the 9th of February.

LEAGUE MEETING POSTPONED

The Community League meeting was postponed to Saturday evening, February 10, at 8 o'clock, in Millarston schoolhouse.

Let everyone in the Millarston district attend this meeting. It is free. You will have a lunch served and the main business will be the starting of the building of a community hall, which we hope to finish in the course of a few months, some double the floor space of the schoolhouse, with permanent stage. As some one hundred dollars already have been pledged, it is off to a good start and it is something worthy of consideration by all. We surely need a community hall and by united effort we can have one with very little expense to anyone. Let everybody be at the schoolhouse Saturday evening, February 10, at 8 o'clock.

We bought and paid for a piano by united effort of us all, assisted by the W. I. We can do the same about a hall. Yes, the piano is paid in full quite some time ago, and fully insured against fire.

Quite a few from this district took in the dance at Dimdale Wednesday evening last.

Mrs. J. C. Macdonald arrived home on Friday last train, in time for the miners' dance.

George Ahern left on Monday's train for Hythe.

Let's all go to Baine's tomorrow night. Everybody welcome.

A Valentine party will be held at the school on February 10. All ladies of Millarston district are invited.

Miss Nettie Stephens is visiting in Grande Prairie this week.

Mrs. Gahler and Mrs. Edwards from across the river are visiting Mrs. Murray and Mrs. Baine.

Mrs. Baine spent Monday with Mrs. Card in Flying Shot.

The monthly meeting of W. I. was held at the home of Mrs. Sutherland on Tuesday afternoon and report an excellent meeting.

PIPESTONE CREEK

COME IN TO SEE DOCTOR

PIPESTONE CREEK, Feb. 5.—Travelling since 10 p.m. the previous night from Stony Meadows, Mr. and Mrs. Ryan arrived here at 7 a.m. on Sunday morning, taking their eldest daughter to see Dr. Christie. We are pleased to report that they got back from Wembley the same evening, looking very much happier.

Mr. Elford and Vic arrived 10:30 p.m. the same day, also on the same mission. We regret to hear that Vic has to undergo an operation for appendicitis.

Those outside the hospital district fortunate enough to possess six dollars will be rushing to take advantage of the hospital board's offer, which expires on February 28. You never know your luck.

COMMUNITY BARN AT DIMDALE

A much needed convenience is being placed in Dimdale by community effort.

These hauling logs for the community barn in Dimdale included Messrs. Fredrickson, Harold and Jack Stevenson, Jack Mackintosh, and Joe Lewis. The outfit passed through here at 8 a.m. Monday morning en route to Genow's, where a splendid set of 40-foot logs had been secured at a very reasonable price.

Those of us who have experienced on the way home and one outfit had to be abandoned. The gang and (and is horse) reached Pipestone Creek at 10 p.m. and filled the barn and restaurant to the rafters.

And before leaving at 12 p.m. had the barn built, and at last decided that it would be just a small affair in comparison to the hauling.

HAULING LOGS FOR SCHOOL

Ed Sundin spent what was left of Monday night here on the way back from Wembley with the windows of the new schoolhouse south of the Wapiti.

The school board are offering \$50 cash and two acres of breaking for the completion of the school by April 1. The building is up to the square and the floor is laid. The board supplies all the material.

Harold Hosker has ordered a new 40-hp saw for the local mill.

A dog train will shortly leave Pipestone Creek for Twin Lakes, where the train is expected to be out of supplies.

SUCCESSFUL CRUSH AT MINER'S BAL

Everybody that was anybody everywhere into the Millarston schoolhouse on Friday evening, February 5, to shuffle up and down in time to the snappy music provided by Jack Penrose's orchestra.

Mr. Maclean, in the course of a few appropriate remarks, stressed the importance of a community hall, and to provide at least two square feet per person.

It was later decided that the profits from such an enterprise would go towards providing for the hall, and the government grant in the bank and this year's taxes. They should have difficulty in carrying on school affairs.

Mr. and Mrs. Hazeltine were amongst the many attractive young couples present.

Portia Colleen MacArthur danced a step dance well and charmingly.

The shelling given us a clever impression of a peacemaker dance.

The shelling given at 4:30 a.m. it was a pleasure driving home on the most perfect night this winter has so far produced.

The first meeting of the new Millarston school board occurs on Friday next, when Bert George takes his seat on the board.

Mr. John and Mrs. Isberg and Emil Isberg visited Grande Prairie last night, returning after a day's work in the dance and Pipestone Creek, thus putting in a 30-hour day.

LAKE SASKATOON

SEEN AND HEARD AT THE RINK

What! What! What! What!

Wednesday evening was the scene of an interesting game when E. Borton challenged C. F. Hopkins rink for the 10 o'clock rink. The game throughout was very even. The final end saw the score 11-9 in favor of E. Borton. The rink: E. Borton, third; H. Monkmann, second; H. Bradley, first; C. Hopkins, skip; E. H. Hopkins, third; John Smith, second; Walter Roberts, lead.

Immediately after the game, George Monkmann put in a challenge for Friday night, picking up a rink as follows: E. Hopkins, skip; A. Aistad, third; Walter Roberts, second; G. Monkmann, lead.

Owing to the chinook, the ice was poor, but luck was still with E. Borton. Who played a roaring game, in spite of handicaps and was again victorious with a score of 17-9.

Two or three rinks are leaving for Wembley to try their luck in the bonnet there. Go to it, boys. Here's luck!

The Lake Saskatoon Community Club held their monthly meeting at the home of Mrs. Cooper on February 3. The good wishes of the club were extended to Mrs. Grimard on the occasion of the anniversary of her birthday.

Y. P. HAVE GOOD MEETING

The Young People met at the home of Mr. and Mrs. E. Hopkins on February 5. There being 16 members present. We were glad to see even a nice turnout, but hope to see even more next time. Owing to the bad weather the meetings have been suspended for sometime. Dick Roberts gave an interesting account of his trip to Edmonton and the Boy's Parliament.

Miss Violet John spent the week-end with Miss Baine.

The U. F. A. and U. F. W. A. will be held at the home of Mr. S. B. Allsup. The delegates reported they were much enjoyed.

GRADE III COMPOSITION

Jimmie, the Black Bear Cub
Jimmie was in a den with iron poles stuck in the ground. I saw Jimmie playing all sorts of games that he used to play when he was a cub. The other cubs looked as though they were ready for a fight.

—Phyllis Fleming.

Jimmie, the Black Bear Cub
When I went to the New York Zoo, there was my bear, Jimmie, standing on his hind legs dancing. Everyone said my bear was the best. Would you like to have a bear cub?

GRADE VI SLEIGHING PARTY

The Grade VI had a sleighing party last Saturday night. We met at the school at 7 o'clock. We went for a three-mile ride, and Hilda, Childs caused some excitement on the way back by falling off the front runner and hurting her ankle. Except for that the rest of us arrived at the home of Mrs. Pratt safe and sound.

We had a very good time. The sleighing was very much enjoyed, and we were all the other home of the program.

OCEAN AIR SERVICE NOT FAR OFF

With Germany planning a world air line to be covered by Zeppelins and the United States carrying on negotiations for the inauguration of a regular airship line between this continent and Europe, the dream of aviation enthusiasts would seem to be heading for reality. The new German dirigible LZ-129, which is to be used for trans-Atlantic service, is rapidly nearing completion, and President Roosevelt has approved a plan for constructing a new American ship at a cost of approximately \$5,000,000, which, when completed, will be leased to a private company which will join with Germany in forming an international corporation to handle the transoceanic service. While these two countries are going ahead with plans for a dirigible service, Britain has definitely decided to abandon this type of transportation. After the R-100 flew across the Atlantic to Canada and back she was scrapped and all equipment sold. The Mother Country believes the aeroplane provides a better medium for developing passenger traffic than the unwieldy airship.

A NEW BRIDGE SPANS OLD MOTHER THAMES

Here is a general view of the new temporary bridge being built across the River Thames in London to take care of traffic till the new Chelsea Bridge is constructed. Each year London finds the traffic problem becoming more serious and although new bridges and wider roads are built to overcome the difficulty, experts feel drastic planning will be necessary within the next few years to clear up, once and for all, the traffic maze of the British capital.

OXFORD STARTS EARLY TRAINING FOR GREAT ANNUAL BOAT RACE

Oxford has started training for the University Boat Race, which will take place on April 6, and they intend to expend every effort to try and win the grueling race from Cambridge after many reverses. The new boat in which the above crew is rowing at Henley is one of the largest ever built for a university eight, and would seem to suggest that the Dark Blues are going to have a very heavy crew this year.

WITHDRAWS LIBEL SUIT

Upon receipt of a public apology from a Methodist minister who repeated rumors that the British Foreign Minister had money invested in munitions, Sir John Simon withdrew his libel suit.

The conference of the Associated Australian Chambers of Commerce resolved to press for an early empire conference to arrange for a new inter-empire trade agreement to operate when the Ottawa pacts expire.

GOLDEN MILLER "PROHIBITIVE" FAVORITE

Although it is still two and a half months before the running of the famous Grand National Steeplechase, Golden Miller, victorious favorite in 1934, is an overwhelming favorite to repeat last year's performance. In a recent steeplechase event at Leicester, Miss Paget's horse won by fifteen lengths. Here the beautiful jumper is seen, with T. Leader up, clearing a fence in great style.
